**Instructions:**

1. Please read your assignment(s) carefully. If you have questions you may call your counselor using the phone number above.
2. Biblical counseling works when you work. Your counselor is committed to work with you but you must come prepared (1 Timothy 4:7b). Incomplete assignments are sufficient reason to terminate counseling because they display insincerity in dealing with your problems God's way (Colossians 3:23).
3. You are fully responsible for how you implement the counsel you are given. Do not be just a "hearer" of the Word, be a "doer" (James 1:22)!
